WORK EXPERIENCE

Frontend Engineer

Money Forward India [05/2024 – Current]

City: Chennai | Country: India

Currently working as a Next.js developer on various banking products of the Money Forward Inc.

Software developer

CRK Gida Technologies Pvt. Ltd. [10/2022 – 01/2024]

City: Bengaluru | Country: India

Project: E-commerce website for senior citizens

Client: Antara Senior Care by Max Group

- Developed and implemented new features in **React.js** and **Redux** state management for company's flagship e-commerce platform.
- Optimized website performance** through code refactoring and caching strategies, resulting in a 20% decrease in page load times.
- Created backend endpoints in **Node.js** with **Nest.js** framework to integrate the Zoho Inventory management system.
- Conducted regular code reviews and provided constructive feedback to team members, fostering a culture of continuous improvement, and ensuring high-quality code standards.

Project: Cross-platform mobile application

Client: HDFC ERGO

- Built an app from scratch in **Flutter** and **Bloc** state management with 1 million+ downloads for a reputed insurance provider in India.
- Integrated **Firestore analytics** and **Sentry (error monitoring platform)** for real-time error detection.
- Integrated **RazerPay payment gateway** for secure payments.
- Set up and integrated **WordPress CMS** for dynamic content and labels.

Assistant System Engineer

Tata Consultancy Services Limited [01/2021 – 04/2022]

City: Nagpur | Country: India

- Underwent 3 months of professional training as a part of client requirements.
- Developed and maintained key features of the client management system, including user authentication and data processing functionalities.
- Developed new pixel-perfect UI components and added new functionality to existing components as per client requirements.
- Conducted comprehensive testing and debugging to ensure the reliability and security of the system, reducing critical defects by 25% and enhancing overall performance.

EDUCATION AND TRAINING

Bachelor of Technology (B. Tech)

DKTE's Textile & Engineering Institute (Autonomous), Ichalkaranji, MH [2016 – 2020]
